Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

(Dr. Lukas Hills DDS)

THE LAWS

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Laws, Plato, Trevor J. Saunders, In the Laws, Plato describes in fascinating detail a comprehensive system of legislation in a small agricultural utopia he named Magnesia. His laws not only govern crime and punishment, but also form a code of conduct for all aspects of life in his ideal state - from education, sport and religion to sexual behaviour, marriage and drinking parties. Plato sets out a plan for the day-to-day rule of Magnesia, administered by citizens and elected officials, with supreme power held by a Council. Although Plato's views that citizens should act in complete obedience to the law have been read as totalitarian, the Laws nonetheless constitutes a highly impressive programme for the reform of society and provides a crucial insight into the mind of one of Classical Greece's foremost thinkers.
