Another MBNA grant that we received was for Speed Stacks equipment. Sport Stacking is an exciting individual and team sport where participants stack and unstack 12 specifically designed plastic cups in predetermined sequences. Sport Stacking is a cross-lateral activity, meaning that students cross the midline of their body, thereby making use of both sides of their brain. Research suggests that cross-lateral activities assist with brain function, thus improving learning capabilities for children. Our students really enjoy performing stacking activities, as you will see today, especially those that incorporate math skills. By using a stack mat with a timer, students can attain a time for any of the stacking patterns that they are practicing. These times are then used to solve math problems, including ordering, addition, obtaining a median, or grouping...
