Brand New Book ***** Print on Demand *****.ATP 2-01 establishes doctrine for the specific tasks under planning requirements and assessing collection. It expands on the principles in FM 3-55. ATP 2-01 should be used in conjunction with FM 3-55 and with FM 2-0. Readers should be familiar with fundamental doctrine contained in ADPs 2-0, 3-0, 5-0, and 6-0 and ADRPs 2-0, 3-0, 5-0, and 6-0. ATP 2-01 establishes doctrine for the specific functions under planning requirements and assessing collection. It expands on the principles in FM 3-55. ATP 2-01 should be used in conjunction with FM 3-55 and with FM 2-0. It outlines the preparation of planning requirements tools during the conduct (planning, preparation, execution, and assessment) of operations. This publication provides details on the four continuing functions of planning requirements and assessing collection. It includes techniques for developing planning requirements tools and keeping them current throughout an operation. It addresses factors to consider when supporting offensive, defensive, and stability tasks. It also discusses considerations when operating in urban and nontemperate environments. Although the discussions and descriptions in this manual may seem linear, planning requirements and assessing collection is a dynamic, continuous, and interactive process requiring constant interaction between the commander and staff. Depending on the mission, time available, ongoing operations, and standard operating procedures (SOPs), units may develop techniques for abbreviated information collection planning to meet the commander's needs. The information presented is descriptive, not prescriptive or restrictive. However, it describes the optimal process. This manual complies with Doctrine 2015 guidelines. Chapter 1 discusses information collection and its tasks-planning requirements and assessing collection, task and direct collection, and execute collection-across the echelons and the vital role of the commander and staff. It also...
