*Most of these publication is the greatest publication offered. It is actually rally intriguing throgh reading period of time. You can expect to like just how the article writer create this publication. (Eddie Schuppe)*

## POST-STABILIZATION POLITICS IN LATIN AMERICA: COMPETITION, TRANSITION, COLLAPSE

Brookings Institution. Paperback. Book Condition: new. BRAND NEW, Post-Stabilization Politics in Latin America: Competition, Transition, Collapse, Carol Wise, Riordan Roett, Over the last twenty years Latin America has seen a definitive movement toward civilian rule. Significant trade, fiscal, and monetary reforms have accompanied this shift, exposing previously state-led economies to the forces of the market. Despite persistent economic and political hardships, the combination of civilian regimes and market-based strategies has proved to be remarkably resilient and still dominates the region. This book focuses on the effects of market reforms on domestic politics in Latin America. While considering civilian rule as a constant, the book examines and compares domestic political responses in six countries that embraced similar packages of reforms in the 1980s - Argentina, Brazil, Chile, Mexico, Peru, and Venezuela. The contributors focus on how ambitious measures such as liberalization, privatization, and deregulation yielded mixed results in these countries and in doing so they identify three main patterns of political economic adjustment. In Argentina and Chile, the implementation of market reforms has gone hand in hand with increasingly competitive politics. In Brazil and Mexico, market reforms helped to catalyze transitions from entrenched authoritarian rule. Finally, in Peru and Venezuela, traditional political systems have collapsed and civilian rule has been repeatedly challenged. The contributors include Carol Wise (University of Southern California), Karen L. Remmer (Duke University), Carol Graham (Brookings Institution), Stefano Pettinato (United Nations Development Programme), Consuelo Cruz (Tufts University), Juan E. Corradi (New York University), Delia M. Boylan (Chicago Public Radio), Riordan Roett (Johns Hopkins University), Martin Tanaka (Institute for Peruvian Studies, Lima), and Kenneth M. Roberts (University of New Mexico).
