Date :2008-8-1. SAT test (Scholastic Assessment Test) is a U.S. ETS (Educational Testing Service) organized by academic tests and examinations. U.S. high school students to enter an American university entrance standards. SAT test scores are more than 3,600 universities in the United States accept the recognition, but also to be recognized by all Canadian universities. SAT scores can get the American University, the only way to compare schools from different regions and student achievement, so it admitted or not and how much scholarship has great influence. TOEFL scores if only the Chinese high school students, almost impossible to top the top 30 U.S. university admission, most of the United States asked China to study in prestigious applicant provide SAT and TOEFL test scores. The SAT is divided into two parts: 1. General Test - Reasoning Test (Reasoning Test), including reading, writing and mathematics, known as the SAT I or the NEW SAT, score is 2400 points. SAT I and the number of words that appear more difficult to examine more than TOEFL. Quantitatively, the most frequent and direct impact on the score of the word (core word) less than 3000, which requires less than high school students focus on breakthroughs in memory 2000. And these 2000 words are going abroad for higher education and the coming to the United States must be the vocabulary of people, it will not be very rare weird. 2. Billing Division of the examination - Special tests (Subject Tests), mathematics, physics, chemistry, biology, foreign languages, are collectively referred to as SAT II. In SAT II each exam, the minimum number of mathematical terms, the lowest degree of difficulty;...
