## DISASTER NURSING AND EMERGENCY PREPAREDNESS FOR CHEMICAL, BIOLOGICAL, AND RADIOLOGICAL TERRORISM AND OTHER HAZARDS (3RD EDITION)

Springer Publishing Co Inc. Hardback. Book Condition: new. BRAND NEW, Disaster Nursing and Emergency Preparedness for Chemical, Biological, and Radiological Terrorism and Other Hazards (3rd edition), Tener Goodwin Veenema, Awarded first place in the 2013 AJN Book of the Year Awards in the Environmental Health category, and second place in the Community-Public Health category "What a wonderful resource!"--Doody's Medical Reviews "In this third edition.Dr. Veenema continues her mission to help our nation's nurses develop the knowledge and skills needed to efficiently and effectively respond to disasters.Many times nurses assume that they aren't emergency responders, so they don't need to understand how the system works. When a disaster strikes a community--whether it's a bus accident, a tornado, a hurricane or terrorist attack--nurses will be on the front lines helping those who are in need. To protect themselves, their families and their communities, nurses need to understand the principles and content of this comprehensive textbook. I encourage all nurses to develop the knowledge and skills presented here that are needed to achieve the vision of resilient communities outlined in the National Health Security Strategy." From the Foreword by Ann R. Knebel, RN, DNSc, FAAN Deputy Director with the Office of the Assistant Secretary for Preparedness and Response "The third edition of "Disaster Nursing and Emergency Preparedness" was confronted with the daunting task of both summarizing the many important new findings that have now become available through extensive research and the experience of public health practitioners and yet maintain the convenience and user-friendliness of the first two editions. Dr. Veenema has succeeded in accomplishing this magnificently. The third edition . has almost double the number of pages compared with the first edition, including a much stronger and expanded clinical management section to address clinical situations not frequently encountered by nurses.The reader is provided...
