Jesus Our Priest: A Christian Approach to the Priesthood of Christ

By Jones, Michael Keenan. O'Collins, Gerald.

Oxford. 1 Paperback(s), 2012. soft. Book Condition: New. "Although Jesus Christ may be the most exhaustively analyzed and written-about figure in history, his role as priest has received scant commentary, suggest Gerald O'Collins and Michael Keenan Jones. Beginning with a study of the biblical material on the subject, the authors trace this idea through the writings of Thomas Aquinas, Martin Luther, and John Calvin, and explain how the Council of Trent, 17th-century French school systems, and the Second Vatican Council have put their own stamp on the concept. The book also includes 12 theses on the key characteristics of Christ's priesthood, and what sharing in it through baptism and ordination means for believers." This is yet another very fine book by two well-known and highly regarded theologians. What makes the book a joy to read is the methodical, step by step, and masterly guidance through a wealth of material. We can be grateful to these two authors for this most informative and stimulating publication." Brendan Leahy" 311.
