Witness Online Network, a Division of Witness Autism Online Network, United States, 2012. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.In this book, I will share with you retrospective thoughts on my son s autism diagnosis, life lessons that I have learned, and pages to start your very own self-improvement journal. In the journey of life, we encounter many unexpected situations and challenges. We can turn these challenges into something meaningful, as I have done since my son s diagnosis. Life can be so fast-paced that we often forget to stop and smell the roses. Meanwhile our health, wellness, finances, relationships, education system, faith and values seem to be less of a priority. In the journal, there are topics we can focus on as we begin to live life to the fullest. Your New Year s Resolution does not have to start on January 1st. It can start NOW. Let s all strive to do better, change our lifestyles, and ultimately change our lives TODAY. The change starts with you!.
