Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Each of the fourteen interviews in this collection tells the story of a poet s career, starting with origins that in many cases overcame unlikely beginnings and went on to fortunate educations with inspiring teachers who often became friends and colleagues, and in at least one case a spouse. Then onto publication, books, awards, and, for the majority, their own teaching careers to share their gifts with others in emulation of their own mentors. Each interview is followed by samples of the poet s work. Readers will have an opportunity to appreciate and admire the fourteen poets as people and as artists.
