CURABILITY AND TREAMENT OF PULMONARY PHTHISIS

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 64 pages. LC Number: KF27 . A7656 2007f OCLC Number: (OCoLC)259456142 Subject: Postwar reconstruction -- Iraq -- Evaluation. Excerpt: . . . 11 learned report released last March, and the focus of our next one - our capping report will come out next year - we be in putting forth the body of evidence that will allow this issue to be addressed and solutions to be developed. We will provide some recommendations on that, on how integration - we call it the beyond Goldwater-Nichols initiative - how the integration of agencies can be more effectively structured so that the execution of these problem doesn't have to be figured out while the problem is being addressed. NYDER Dr. S. I know there is a lot of interest by members of this committee on that issue, as you are probably aware. Mrs. Davis and Mr. Davis from California and Kentucky have an ad hoc group, their working group on interagency reform, but it is to get at that. I think it came out at one of our hearings, but I think you discussed it some in your statement, Mr. Perito. When we met with some of our folks from Iraq and Afghanistan who were working on PRTs, one of their very specific - or at least one of them kind of overstated it - but just said, you need to change the names; we use provincial reconstruction team in Iraq and provincial reconstruction team in Afghanistan like they are doing the same work. And they say, they are not. In their view - and this is from the people on the ground - the provincial reconstruction teams in Afghanistan were like project builders. They did bricks-and-mortar projects. They did water...
