Booksurge Publishing, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A young girl, Elizabeth Ann, and her male cousin accidentally travel back through thousands of years in time - don't you just hate it when that happens to you? There, they meet an out-of-work goddess and her companions, a huge talking wolf with an attitude and a drachen (cousin of the dragons) who can't fly straight. The youngsters form an alliance with the wolf and two gnomes - who have the power of size and speed - against the evil villain Tallaght. He is a terrible creature, part human and part animal, without any redeeming social features who wants to impose his evil will on the world . Sort of like your average politician. Join with our brave little group as they travel to the Darklands to battle with Tallaght and his ghastly creations, the gargoyles-like Agats.
