Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Jessie, Meg, Dixie, and BB were living the dream on their beautifully renovated and expansive bison ranch in the foothills of the Rockies. Everything changed under an April super moon when Moonbeam arrived - an extremely rare white bison calf, a harbinger of unity, peace, and rebirth. But the skeleton discovered on the hill beyond the pasture, and rustlers determined to steal Moonbeam, disrupt the women's bucolic sense of harmony. Suddenly, the women must accommodate the arrival of three men; Sheriff Hank, Wildlife Officer Brian, and charming ranch hand Del, all intrigued by these remarkable, smart, attractive, and wildly entertaining female ranchers. Jessie and Meg struggle to protect the miracle white calf while realizing their strong, independent natures do not preclude asking men for help. Dixie, the outrageously funny fireball, is always a wild card in any situation. And BB, the famous artist, finds herself inadvertently untangling a closely protected secret through her inspired works of art. At the core is Moonbeam's spiritual presence uniting the characters and enriching their interactions; each discovering what is possible when graced with self-discovery, robust humor, and the tender touch of love. With three intersecting plotlines and richly developed characters, The GG Ranch hums with the escalating tension of a thriller, the pulse of mystery, and a surprisingly poignant secret tying all the characters together. Enjoy the delightfully rich rebirth of these women of a certain age . . . under a full moon.
