HIRING WINNERS HOW TO HIRE THE PEOPLE YOU NEED TO SUCCEED

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 212 pages. Dimensions: 8.0in. x 5.0in. x 0.5in. In my practice of helping business leaders develop a winning culture, the thing that I have been most keenly aware of, is the need to hire winners. It is true that good training can achieve much. But it is equally true that no matter how good the training course or the trainer there are some things which can't be trained in. Losers will never become winners because of training. The qualities, characteristics, behaviors, values and beliefs that make a winner must necessarily be hired. Effective interviewing is the best and perhaps the only way to ensure that this happens. Skills can then be taught by focused training. What are these qualities? What is the best way to identify and ensure that the person I am hiring has them? Are there any tools to help me in achieving this goal? That is what this book is all about. This item ships from La Vergne, TN. Paperback.
