The University of Buckingham Press, United Kingdom, 2016. Paperback. Book Condition: New. 279 x 210 mm. Language: English . Brand New Book. This series of multiple choice tests is representative of the short numerical reasoning section of contemporary multi-discipline 11+ CEM tests, which typically have two papers. One paper usually contains short, quick-fire questions, the other has a section of longer worded numerical reasoning problems. This Short Numerical Reasoning for CEM Multiple Choice book addresses the former. The suggested time provided for each paper is based on conventional classroom testing sessions. Certain regions and schools within them work only with the multiple choice format. A hallmark feature of CEM is a cascade of questions to be answered in a very short amount of time. This book provides excellent preparation and a most relevant suite of questions - and answers - in the multiple choice format. Quick-fire multiple choice numerical reasoning problems testing knowledge and skills; Excellent preparation for quick-fire CEM-style practice; Peer-compare on-line access code enclosed for complete interactive evaluation; Fully classroom-tested by over 5.000 kids; The most relevant and up-to-date practice tests; Ample training for any level of 11 plus exam and suitable also for independent schools testing. Students requiring publications that address the longer, multi-part worded numerical reasoning questions will benefit from the 11+ Essentials Numerical Reasoning Book 1 and Book 2. This series of mini-tests is representative of the numerical reasoning section of contemporary multi-discipline 11 plus exams that typically cover several subjects such as verbal and non-verbal reasoning, comprehensions and numerical reasoning. The introduction of the new and fast-developing CEM and hybrid exam styles has only served to widen and grow this important niche market, yet unlike ElevenPlusExams few publishers are in a position to address it with such relevant, up-to-date and, crucially, classroom-tested material.
