

Street Smarts: Adventures on the Road and in the Markets

Filesize: 7.65 MB

Reviews

It is one of my personal favorite ebooks. It is probably the most awesome publication I have read through. You won't really feel monotony at anytime of the time (that's what catalogs are for regarding in the event you check with me).

(Juliet Kertzmann)

STREET SMARTS: ADVENTURES ON THE ROAD AND IN THE MARKETS

Random House USA Inc. Hardback. Book Condition: new. BRAND NEW, Street Smarts: Adventures on the Road and in the Markets, Jim Rogers, Wall Street legend and bestselling author Jim Rogers offers investing insights and economic, political, and social analysis, drawing on lessons and observations from his lifetime in the markets. Jim Rogers, whose entertaining accounts of his travels around the world -- studying the markets from Russia to Singapore from the ground up-- has enthralled readers, investors and Wall Street aficionados for two decades in such books as "Investment Biker," "Adventure Capitalist," "Hot Commodities" and "A Bull In China" . In his engaging memoir "Street Smarts," Rogers offers pithy commentary from a lifetime of adventure, from his early years growing up a naive kid in Demopolis, Alabama, to his fledgling career on Wall Street, to his cofounding the wildly successful Quantum Fund. Rogers always had a restless curiosity to experience and understand the world around him. In "Street Smarts," he takes us through the highlights of his life in the financial markets, from his school days at Yale and Oxford -- where despite the fact that he didn't have enough money to afford the appropriate pair of shoes, he coxed the crew and helped to win the Oxford-Cambridge Boat Race as well as the Thames Cup, the first of his three Guinness World Records -- to his first heady taste of Wall Street in the mid - 1960s, and his years helping to run the most successful hedge fund on Wall Street. As a result of his extraordinary success with the Quantum Fund, Rogers was able to retire at the age of thirty-seven. Since then he has taught classes in finance at Columbia University, hosted television programs, and traveled the world seeing firsthand how revolutions in Chile affect coffee prices...
