TWIN FLAMES REVELATION: ANSWERING THE CALL TO SAVE HUMANITY - PART ONE (PAPERBACK)

Outskirts Press, United States, 2013. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Twin Flames and numerous advanced souls are presently re-uniting across the planet to complete their mission at this critical juncture in Earth s ascension. Humanity has long been trapped by the forces of darkness that have brought about much suffering and despair. Today the world stands poised to emerge from the spiritual wilderness as increasing numbers of souls awaken to their true purpose; to reconnect to their spiritual origins and serve their fellow brothers and sisters. If they are successful, they will transition to a higher dimension. Alas, unseen forces are working hard to stop humanities ascension and it will take the combined efforts of Twin Flames, Star Seeds and other advanced souls to bring the balance of power back into humanities favor. The time is fast approaching when the presently unfolding worldwide events will reach their prophesized conclusion. Will the souls of humanity be ready for a fifth dimensional existence or will they be required to experience further three-dimensional lessons? Worst still, might they be coerced into another dimension altogether, further delaying their return to their true home? This is the sixth time that humanity has attempted to ascend from this planet and it has required a substantial degree of interplanetary and spiritual assistance just to get this far. These souls have come to live the path of unconditional love knowing that there are no barriers that true love cannot overcome. Remarkably and despite high levels of intervention the final result still appears to hang in the balance. This book details the journey of one such advanced soul, his twin flame, his soul mates and their journey prior to and after answering the call to help...
