Many people harbor gross misunderstandings of the Catholic religion due to misinformation and, more likely than not, a total misunderstanding of Catholic institutions and practices. How and why an institution that has had as dramatic a role in the development of western civilization as the Catholic Church has come to be so entirely misunderstood and mischaracterized by non-Catholics is beyond the scope of this text. The core beliefs of the Catholic faith are presented here in a manner accessible to Christians and non-Christians alike. I hope you approach this book with a spirit of open-mindedness and a desire to learn. It is my earnest desire that this book either deepens your faith and your understanding of the Catholic religion. The Catholic faith has two sources of authority: Sacred Tradition and Sacred Scripture. The Catholic Church, in order...
