Written by an experienced teacher of cartooning, this volume combines *The Secrets of Cartooning*, the author's first and more elementary book, and *The Art of Cartooning*, his follow-up, in which he answered questions raised by readers of his earlier book. Each volume in this double edition is complete in itself as a series of lessons. The first part focuses on such basics as drawing the head, hands, and clothing; creating expressions; conveying motion; and obtaining shading effects. The second section presents a series of lessons in anatomy, followed by advice about drawing caricatures and detailed instructions for creating images for animated features and political cartoons.
