

## Mole!

---

By Ashokamitran

Orient BlackSwan, New Delhi, India, 2004. Paperback. Book Condition: New. First Edition. The fictional events narrated in Mole! an English translation of Otran, a novel by Ashokamitran take place within a period of seven months, nearly all of them in the American Midwest. The narrator, a culturally rooted writer from Chennai, is transplanted amidst a motley group of fellow-writers from distant parts of the world, all of them as dangerously dislocated as him. Deprived of the language that has brought them fulfillment and distinction, these writers struggle to retain their place of precarious honour in a strange, unfamiliar and sometimes hostile environment. And in the background looms the endearing, if exasperating, landscape of twentieth-century America. Kalyan Ramans English translation illumines the subtle, spare strength of Ashokamitrans prose. Printed Pages: 161.

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
