Brand New Book ***** Print on Demand *****.Excerpt from A Health Census of Chelsea Neighborhood: 14th to 42d Streets 5th Avenue to the Hudson River New York City Health conditions have been for several years the subject of serious consideration in the Chelsea neighborhood, 14th to 42d Streets, 5th Avenue to the Hudson River, New York City. Various public and philanthropic agencies in the district have approached the problem from numerous angles. The Chelsea Neighborhood Association through its health committee, has devoted considerable time and energy to constructive and preventive health measures. This committee of the Neighborhood Association, Dr. E. H. Lewinski-Corwin, Chairman, in the early part of April, 1917, approached the Metropolitan Life Insurance Company with the suggestion that the Company, through its agents in Chelsea, make a health census of the neighborhood, similar to those previously conducted in Rochester, Boston and in other places, so as to establish the basis for a constructive health programme in the future. The Company agreed to undertake the work with the cooperation of the Neighborhood Association, the census to be taken during the two weeks following...
