

Maine: Its History, Resources, and Government (Classic Reprint) (Paperback)

By Glenn Wendell Starkey

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Maine: Its History, Resources, and Government In the preparation of this book for use as a text in the upper grammar grades and the high school, an attempt has been made at all times to keep clearly in mind one definite purpose - the presentation in as concise and readable a manner as possible of a general view of the historical and industrial development of Maine in the form of a connected story, without branching out from the main thoroughfare into innumerable byways of detail. It has been impossible to digress, even to include a few incidents of the most unusual interest, because they do not bear strongly upon the principal events either as direct causes or effects. Moreover, the well-known fact is recognized that the human interest story is most eagerly read, while lists of dates and the bare record of events furnish little attraction for red-blooded active boys and girls such as those who will read these pages. At the same time history cannot be written without making use of the chronological element to...
