Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

A.J. ANGRY, THE LITTLE BRO (PAPERBACK)

Dog Ear Publishing, United States, 2010. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.A.J. ANGRY, THE LITTLE BRO is a meaningful story about one little boy s anger and how he bullied the students at his school. Kicking and shoving is a typical way for many children to express their frustrations, and this book cleverly shows what is causing his anger and what the school did to help A.J. be successful. Discussion questions and activities are an extra bonus at the end of the story. A.J., a young African-American boy, is angry because of the way his older brothers treat him at home. His mother works at night and seems to be unaware of the seriousness of A.J. s complaints. After many weeks of getting in trouble at school, a Coach and a Counselor find a way to help A.J. and to redirect his energy and talents. As A.J. discovers that there is a much better way to solve his problems, children will understand the importance in trusting an adult to help them, also. Bonus activities are included so that all children will be able to discuss this type of bullying and practice treating each other with respect.
