The Story of Laura Ingalls Wilder, Pioneer Girl (Paperback)

By Megan Stine

Bantam Doubleday Dell Publishing Group Inc, United States, 1997. Paperback. Book Condition: New. Marcy Ramsey (illustrator). 188 x 130 mm. Language: English . Brand New Book. When Laura Ingalls Wilder was a little girl in the late 1800s, her family moved nine times in three years. The Wilders faced great hardships on the prairie. The crops they planted were destroyed by grasshoppers. Brutal snowstorms brought them close to starvation. But for Laura, who was born with her father's pioneer spirit, home wasn't a house--it was being with Ma, Pa, Mary, and baby Carrie. At the age of 65 she put pen to paper and wrote about memories. Through hard work and the help of her daughter, Rose, she became a successful author. The wonderful books she left behind tell the story of a rich life in the face of good times and bad.

Reviews

A whole new electronic book with a new point of view. It can be full of knowledge and wisdom. It's been written in an exceedingly simple way which is only following. I finished reading through this pdf in which really modified me, modify the way in my opinion.

-- **Arianna Nikolaus**

This ebook is wonderful. I have got to go through and so I am certain that I am going to likely to read through once again again later on. You will like the way the article writer compose this ebook.
