The God Counts Bible retells selected stories in fun rhyming ways while staying true to Scripture. From Adam and Eve, to Jonah and the whale, to the birth of baby Jesus, the God Counts Bible will be fun for young ones and will help them learn what Gods people experienced long ago. Kids will learn how to follow their example and live for God today. Beginning to end with rhyme as our friend, In no time at all, learnings a ball! With colors so bright, just look at the sight: The Bibles made fun for your little ones! From The Very Beginning (the creation of the world) to The King in the Barn (the birth of Jesus), these short stories bring the Scriptures to life! Kids will love learning today what Gods people experienced long ago. Story Behind the Book When looking over Multnomahs catalog, its clear that most men, women, parents, and pastors have access to many incredible authors. These authors provide teaching and tools to help with everything life seems to bring, and they remind readers of Gods presence in the midst of it all. But adults arent the only ones who need to know this! Emmanuel, God With Us what a wonderful truth to teach our children before they come face to face with life and all its joys and tribulations! Through the books in the God Counts series, including the God Counts Bible, my hope is that parents will now have a fun tool to introduce their children to a loving God and all the miraculous stories of how He interacts with His children.
