

The Right Word: Making Sense of the Words That Confuse

Filesize: 7.62 MB

Reviews

An extremely wonderful pdf with lucid and perfect explanations. I could possibly comprehend every little thing out of this created e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Janie Wilkinson)

THE RIGHT WORD: MAKING SENSE OF THE WORDS THAT CONFUSE

Exisle Publishing (Australia). Paperback. Book Condition: new. BRAND NEW, The Right Word: Making Sense of the Words That Confuse, Elizabeth Morrison, The quality of your written English is your passport to both academic and career success. Whether you're a native speaker or learning English as a second language, it's very easy to get confused and make mistakes. This book is your essential guide to mastering the subtleties and becoming an expert communicator. Divided into three sections, 'The Right Word' first examines homophones, those tricky words that sound the same but are spelled differently. Entries are organised alphabetically, with meanings and examples (including colloquial ones) being given to facilitate correct use. The book then looks at words that often confuse - childish vs. childlike, incredible vs. incredulous, for example - before providing a list of the most commonly misspelled words. Keep this book by your desk as a ready reference providing instant access to superb English!.
